Session 2017-18

Summer vacation - a relief from the scorching sun, Stay at home or
go on holiday, but have a lot of fun.

Let not *Jack* just play and play,

They say that, while the sun shines, make hay.

So, balance your work and fun hours,

Help your mom - dad and add more power.

With your values and discipline explore new heights,

Let you and us be glad that *you are a BRAINITE.*

Wish you all happy and healthy holidays!

GENERAL INSTRUCTIONS

Holidays Homework is an interesting way of utilizing time and energy and it maintains the learners' academic connect. It must be submitted to the respective teachers before the deadline given by them.

All files, scrap books, projects etc. should be well labelled with the clear mention of Name, Class and Section of the student.

The parents are suggested to help their children to take up any one drive out of the following and help their children (uptil class V) to maintain a journal of the work done (minimum 2 pages), preferably with pictures. Also, make your child write why he/ she chose a particular drive.

1. Education Drive: Donate book(s) and/ or stationery to underprivileged children and give them basic education/ help them understand the key concepts like reading time from a wall clock. Make this memory last long by clicking your pic with the child and adding to your journal.
2. Help Drive: Help any family member in his or her work and maintain a journal of the work done like helping mother in the kitchen, father to wash the car, grandfather to water the plants or grandmother to organize her things etc. Capturing one or two moments for your journal would be exciting.
3. Paint Drive: Make a painting using things other than paint brush like lady finger (cut from top), onions, thumb prints, cotton swabs, match sticks etc. (You may get it framed). You can take help of one of the family members to click you, while you are at work.
4. Best out of waste Drive: Make two things that could be an artifact or utility oriented object, with waste material for instance newspaper holder with foil roll, wall hanging using egg shells or pencil shavings, pen holders using empty cans or tetra packs etc. You can take help of any of the family members to click you, while you are at work.
5. Cleanliness Drive: Along with your neighbourhood friends or school mates (living in the same locality), conduct awareness programme on cleanliness in your society. You can capture the major shots and paste them in your journal.
6. Adopt a plant Drive: Adopt a plant and take proper care of it like watering it daily, providing manure etc. and also run a small campaign encouraging your friends and neighbours to go green and adopt at least one plant. You can click the respective shots and paste them in your journal.
