

BRAIN INTERNATIONAL SCHOOL

SUMMER HOLIDAY HOMEWORK-2018-19

CLASS-III

Dear children,

It's time for a fun filled and relaxing summer break. However, during the long scorching summer months, whether you are travelling or at home, time must be spent meaningfully and interestingly so that you keep in touch with school work and have lots of fun. Switch on the thinking engines of your mind.

Whatever you have learnt, just rewind. A little bit of research and lots of imagination will make your holidays fruitful and add colours to your creations. When the school reopens bring back your treasure. Now Get Set go.....

Wishing all of you a very enjoyable and fun packed summer break.

ENGLISH

- Do the following exercises on A-4size sheet/sheets.
- Make a folder with paper or cloth. Decorate it beautifully and name it 'My Folder'. Put all your A-4 size sheets in this. Do not forget to write your name and class on it.

One is never alone when one is with books. Sitting in your room with your books you could go off to faraway places and meet all kinds of people, animals, birds and even fairies. What fun! Reading will teach you many new words. You will write better and speak well. Read books to discover lots of new things!

1. Read at least one story book out of the list of books given below.

a.Red Riding Hood by *Charles Perrault*

b. Goldilocks and the three bears by *Robert Southey*

c.Enid Blyton series-Secret Seven Series

d.Thumbelina (Abridged Version)

- Make a book mark using the image of your favourite character .Write seven sentences on your favourite character and state why you like the character.
- Pick out five new words you have come across in your story book.
- Arrange these words in alphabetical order.

Parents, please continue to encourage your child to read. Here are alist of sites you can use to encourage reading.

<http://www.bookadventure.com>

<http://www.magickeys.com/book>

2. Click pictures of yourself doing various activities at home showing your contribution in helping your mother/father and paste them on a pastel sheet.
3. Cursive writing page-(3-25)

हिन्दी

- ग्रीष्मावकाश में कोई चार पंचतंत्र की कहानियाँ पढ़ें व उससे संबंधित निम्नलिखित कार्य करें (उत्तरपुस्तिका में):-
 - क) कहानी का नाम लिखें।

 - घ) यह कार्टून किस दिन आता है?
- सभी का उत्तर हिंदी के अंकों में दें।

MATHS

1. Learn multiplication tables from 2 to 15.
2. Do the following page numbers in self compiled workbook-
 - Ch-2 Addition-page no.7 to 11

PROJECT WORK : (To be done Roll No. Wise)

Roll no. 1 to 12- Make an interesting collage on an A3 size sheet demonstrating application of Roman Numerals in everyday life.

Roll no. 13 to 24- Design an attractive Rangoli on an A-3 size coloured sheet using geometrical shapes like circle, square, rectangle etc.

Roll no. 25 onwards- Note down and learn the birth dates of any ten famous mathematicians of India and write them in Roman Numerals on an A3 size sheet in the following format:

| NAME OF PERSONALITY | DATE OF BIRTH | DATE IN ROMAN NUMERAL | MONTH IN ROMAN NUMERAL |
|---------------------|---------------|-----------------------|------------------------|
| MAHATMA GANDHI | 2-10-1869 | II | X |

EVS

1. Trees are our lifelines, we cannot live without them. In order to save our planet 'Earth' we must plant more and more trees. Let us also take a pledge this summer vacation- to plant at least one tree and keep our surroundings clean and tidy. Click and paste a few pictures of the tree planting activity that you will do and write 5 things that can be done to keep the surroundings clean and tidy on an A-3 size sheet.

2. Let's take care of water

We get water from rain that flows into the rivers, gets collected in lakes and ponds. Rivers flow into huge bodies called seas and oceans which have salty water. It cannot be consumed by us. We have very limited supply of drinking water so we must conserve it. Use your imagination and design a poster on the given A-3 size coloured sheet showing how water is important to us and why we should not waste it. Write a slogan for your poster.(Example is given for your reference)

3. Prepare any two scientific tricks to be performed in the class. (Performance date will be given after the summer break)

F.I.T.

- Collect the prices of CDs, Keyboards, Printers, CPU, Mouse from an IT shop or online. Make your price list and note them down in your computer notebook.(Roll No. 1 to 16)
- Collect pictures of any two objects which signify speed, storage, accuracy and paste them in your note book. For example : Speed (Car, Aeroplane), Storage (Container, Piggy bank), Accuracy (Calculator, Computer) (Roll No. 17 to33)
